Matt

You can expect it tomorrow. As you know the order is between us and was not required by the Judge and while we think it necessary, the parties should still be producing the required documents in the most efficient time frame.

Look for it tomorrow

Subject: Lyons/Party Art - Draft Order

Dear Mr. Adelman:

During the conference on Monday afternoon, I believe you stated that you would prepare and circulate the draft order based upon Judge Stanton's decisions. As it is now Thursday afternoon, when can we expect to see the draft order?

Also, if all counsel would please provide me with available dates in December and early January for witness depositions. So you are all aware, Ms. Sherman is going to be unavailable starting December 26th through January 13th as she will be out of the country during her winter break.

Regards,

Matthew
